

# Opportunities in Engineering and Electronics

## Partner, Leadership Role

No following required and a rare opportunity to join as an Equity Partner. The firm require an attorney who can offer mentoring, leadership, business development and direction to build on commercial successes. A role where you can make an incredible difference.

## Senior Associate

Everything that you want and none of what you don't (for the most part). Have the freedom to pick and choose your cases, clients and contribution to internal policy, BD and marketing.

## Associate

Be trusted to handle your own portfolio, with support there as needed. This firm will listen to your ideas and help you act on them.

## Part Qualified

Huge investment in firm led training, present Partners/mentors, and a friendly open-door culture. Have everything you need to qualify and have a great time whilst doing it.

## Graduates

Start your journey a little differently by joining a UK firm in Munich, and benefit from a competitive edge and wealth of experience not necessarily available to you in the UK.
