

Spotlight: Chemistry

Associate or Senior Associate

It's always a risk moving from a small firm to a larger one, or vice versa. This firm can offer you the best of both worlds.

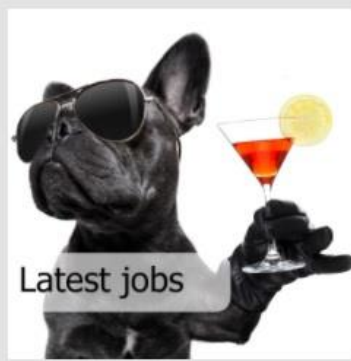

Qualified Patent Attorney

Constantly being overlooked for promotion? Frustrated that your ideas aren't being heard? Maybe you're stuck in a firm with a 'one size fits all' ethos? Then this one could be for you.

Overseas Opportunity

Want to work with cutting edge innovative companies, research institutions and leading universities and employ your technical background in chemistry. Well, you can!
