

*“Be daring, be different,  
be impractical, be anything  
that will assert integrity of  
purpose and imaginative  
vision against the  
play-it-safers, the creatures  
of the commonplace, the  
slaves of the ordinary.”*

Sir Cecil Beaton

**Work in York, for an Exceptional Firm Offering an Exceptional Salary  
Electronics (or Physics) Patent Attorney, up to 2 Years PQE, circa £80,000;  
Finalist, circa £65,000**

Secerna is different. Yes that's a cliché but in this case it's true.

Why? Well they are a quickly growing firm, so can offer a career that will be entrepreneurial, diverse and actually what you make of it. They can deliver opportunities that mean you will work closely with people and develop new relationships. Find solutions, not just do what you're told.

Work with cutting edge technology across a variety of sectors and industries and learn from a leading Patent Attorney in the field. Benefit from a portfolio that includes global corporations, small companies and everything in between.

Secerna is a stylish, boutique firm headed by Jason Boakes and Charlotte Watkins. After a successful beginning it is now in its second stage of development, building on a strong foundation of work by growing its workforce as quickly as possible to keep up with demand from their incredible clients. Prove you're the best and the trailblazer you think you are and with Secerna achieve an exhilarating career devoid of too much everydayness.
