

# Be the spark.

## Vice President of Sales – Intellectual Property Services IP Sales Inc., Chicago IL.

- Plan, direct and set the strategic direction for sales across the United States
- Lead a dynamic sales team and act as their mentor and champion
- Manage and grow successful sales accounts across the Midwest
- Develop and implement a sound sales and marketing strategy, both on and off line
- Be the voice of IP Sales Inc. on social media
- Travel the world and represent IP Sales Inc. at the industry's most prestigious events

IP Sales Inc., is a leading provider of IP administrative services to IP professionals and paralegals, and supports many of the world's leading companies and IP law firms.

They are currently experiencing rapid growth due to the high quality and competitive nature of the services they offer, and as a result are implementing an expansion plan to support their existing clients and to expand their client portfolio across the United States.
