## Finalist Level Patent Attorney, Electronics

- Join a stimulating and collaborative working environment, in which your ideas will be listened to regardless of your level of seniority
- Be client facing and develop a commercially minded approach
- Build your experience to suit your strengths and interests through joining sector groups and project teams

Tier one patent and trade mark firm Gill Jennings & Every is seeking a finals standard patent attorney to join their well-regarded IT & Engineering team, based at their friendly, modern offices in London.

This is an exceptional opportunity for a candidate who is ambitious and hands on. The firm has a clear growth plan and is looking for candidates who want to be part of it.
