

“Always bear in mind that your own resolution to succeed is more important than any other.”

Abraham Lincoln

Working as a **Patent Attorney (Biotechnology)** with major international biotechnology companies, you will be a strategist, adviser and advocate in shaping and implementing their intellectual property programmes across the globe.

Mathys & Squire's Life Sciences practice has an industry leading reputation that has been central to the firm's impressive growth over recent years.

A successful candidate will enjoy exposure to significant opposition and litigation cases, portfolios of high value prosecution and strategic due diligence work.

Mathys & Squire grants considerable autonomy to its qualified attorneys but always lends ample support when needed. The firm is a meritocracy ensuring that the best people rise to the top. It is seeking applicants with a biotechnology background, having at least 3 years' experience. Given the recent growth in workload, there are at least two positions available.

To apply please call Pete Fellows or Phillipa Field of Fellows and Associates on: **+44 20 7903 5019** or email: contact@fellowsandassociates.com
