A Patent Attorney firm as an IP Consultancy, providing strategic advice to a global client base. Ensure that your abilities are well rounded by participating in a consultative culture. The firm has a contemporary outlook and a flair for doing business.

International Opportunities

Hong Kong, Singapore, Australia, New Zealand, Dubai, Canada. Try something different. Speak to us about life overseas.

Merger Opportunities –

Sometimes what you need is an exit or at least some friends...

Don't just sit there on your own, be part of a larger organisation. Fellows and Associates work on behalf of a number of UK and international firms looking to expand their operation or for a first step into the UK/European market. Discuss your ideal potential business partners with us and we'll seek them out. Likewise, if you are a business interested in acquisitions – speak to Fellows and Associates about some of the smaller firms we are currently working with.
